### Message from the Snorkeling Tour Guide

This is a boat snorkeling tour to **Japan's largest coral reef**, located north of Miyakojima. Once you experience it, many guests are amazed by its beauty and come back again.

This is a luxurious marine activity where you can enjoy snorkeling at **three different spots** in the Yabiji area. We offer safe and fun snorkeling tours in the waters of Miyakojima. All staff members are professional snorkeling guides, and many of our guides have years of experience.
